

Reminder: We still have PCHFH 10th Anniversary T-Shirts are still available at the Habitat office. Shirts are \$5.00 and available sizes are Large and X-Large. Buy one today and support Habitat for Humanity. Hurry while supplies last!

Happy Anniversary, ReStore!

On July 14 and 16, the PCHFH ReStore will be celebrating its 2nd Anniversary! As a way of saying thanks to everyone for making our first two years so successful, we will have free Pepsi and hot dogs for our customers. There will also be a bake sale, giveaways, and door prizes! The ReStore is planning to continue growing and providing an economical shopping outlet, as well as an environmental friendly alternative to throwing away your gently used household items. The ReStore assists with the PCHFH funding needs, which makes it possible to continue providing affordable housing to our community.

Lookout (again) Cookeville!

PCHFH is blessed to have another youth group heading our way, this time from Strongsville Bible Fellowship in Berea, Ohio. The group will be comprised of 10 youth and 2 adults who will be here the week of July 25 to give up their lazy summer days for days of hard work. We are so thankful to have them joining us! This is yet another opportunity for families, churches, and businesses to help out by providing lunches, dinners, snacks, or anything else. Call our office to find out more.

July Birthdays

- 1 Barbara Wright
- 3 Julianne Billington
- 6 Dorothy Clark
- 8 Judy Dronebarger
- 10 Terry Fiske
- 10 Carol Smith
- 10 Gina Warden
- 11 Tiffany Milam
- 24 Josephine McQuail
- 25 Nancy Zambell
- 27 Amy Garrett
- 30 Helen Bandy

Volunteer Spotlight

In this issue of "Building Blocks," PCHFH would like to turn the spotlight to Upper Cumberland Rental and Sales on Boyd Farris Road. They are a regular donor to PCHFH, supplying equipment rentals such as heaters, generators, and more for us for the last few years. They are always helpful and willing to pitch in, and have proven to be great partners in our construction needs. We want to thank them for their support!

Dedication of SYB home

Thursday, June 30, was a special day for the Summer Youth Blitz group who were in town working on one of the current Habitat homes on Edwards Lane. It was a celebration day, as we recognized the teens who have worked so hard in the past two weeks. During their ten days in Cookeville, the group got a lot of work done on the house. PCHFH would like to thank the project participants and everyone who supported their stay with food, goodies, and activities. The home still has a bit further to go before being completed, so anyone interested in volunteering is encouraged to call us and find out how you can help.

Early Bird E-mail Reminder

You can still sign up for our early bird e-mail reminders and notices from the ReStore. Email terry@pchabitat.org to get your name on the list!
