

# Habitat for Humanity® Cars for Homes™

Two billion people worldwide live in poverty housing, including 5.1 million American families who need a hand up, not a hand out.

Habitat for Humanity is providing that hand up and you can help!

Help break the cycle of poverty and homelessness by donating your car, truck, boat, RV or other vehicle to the Cars for Homes™ vehicle donation program.

Cars for Homes™ accepts a majority of cars, trucks, boats, RVs and other vehicles with proper title and ownership information, and makes the arrangements to have your vehicle, keys and title picked up for processing.

Net proceeds generated by donated vehicle sales are used by local affiliates and Habitat for Humanity International to build homes in partnership with families in your community and around the world.

It's quick and easy to donate. With your help, more low income families can have a decent place to call home, and the hope of a better life.
