

## Putnam County Habitat for Humanity Women Build – Honor a Woman

You can help the Women Build house get off the ground by making a donation in honor or memory of a significant woman in your life...mother, wife, friend, teacher or other special someone!

The woman you honor will receive a card notifying her of your contribution and its significance. Her name will be inscribed on a wall stud if the request is made while the house is still in the framing stage. Or you are invited to come to the Women Build Wall raising this fall and personally inscribe your honored woman's name.
