

Help provide a home by giving a gift
in honor or memory of
a special woman in your life.

You can help provide an affordable home for a local family by making a donation in honor or memory of a significant woman in your life...mother, wife, friend, teacher, neighbor, or other special someone.

The woman you honor (or her family) will receive a card notifying her of your contribution and its significance. Her name will be inscribed on a wall stud if the request is made prior to the wallboard insulation. Or you are invited to come to the "Blessing" of the Women Build home this spring (tentative: May 19, 1pm) and personally inscribe your honored woman's name.

When the home is completed, the new homeowner will receive a certificate with a listing of all the very special women that were honored and whose names are inscribed into their walls forever.
