

*As girls we played house...
As WOMEN we BUILD them!*

More than 1,000 safe, decent and affordable homes have been built by women through Habitat for Humanity's Women Build program. Locally, Putnam County Habitat for Humanity is about to embark on our 2nd Women Build project in March!

The Women Build home is not about excluding men, but including and empowering women! It provides an environment for women to learn skills and discover for themselves that they can build a home!

It can't be overlooked that this home will also provide the much needed hand-up the Habitat program provides families every day. A home will be built with a single mother and her children in the heart of Algood. The HFH program provides an opportunity for families to work with our community partners to build an affordable home that the homeowner will then purchase from HFH with a no-interest mortgage.

How can you help? Right now, we are seeking the funding needed to build this home. All HFH homes are built with local community support. We have three sponsorship levels available for you or your business to consider.

\$500 Level

Recognition with your name on our website (future 2007 Women Build page of www.pchabitat.org)
Recognition with your name in our Spring 2007 newsletter (2000 copies mailed quarterly)
Recognition with your name on the sign at the worksite
Opportunity to purchase T-shirts and caps

\$1000 Level (All of the above, plus)

Recognition with your name on T-shirts
One representative in the dedication photo
10 T-shirts (additional will be available for \$8 each)

\$2000 Level (All of the above, plus)

Opportunity to send staff to the construction site on wall-raising day (framing day)
8x10 framed photo of your team on the jobsite.
Name recognition on recorded promotional ads on Lite Rock 95.9 (April and near end of build)
Recognition with your logo on our website (can include a link to your website from this site)
Recognition with your logo in our Spring 07 newsletter
Recognition with your logo on the posters
Recognition with your logo on the T-shirts
Recognition with your logo on the sign at the worksite
15 additional T-shirts (more available for purchase)
